Re: Business Opportunity Rule, R511993

Dear Sir or Madam:

I am writing to express strong opposition to the proposed Business Opportunity Rule R511993. I understand that the Federal Trade Commission must protect the public from "unfair and deceptive acts or practices," but the rule as proposed would make it very difficult for me to operate my business as a Shaklee Independent Distributor, or other non-Shaklee business.

The proposed rule requires the disclosure of a minimum of 10 prior purchasers nearest to the prospective purchaser. In this day of identity theft, I am uncomfortable giving out the personal information of other Shaklee distributors, plus I would not necessarily know who is geographically close to me.

I applaud your good intentions, but this is way too much to expect.

Sincerely,

Susan Katsoff
